REV/ DATE	ISSUED FOR

SOUTH  
ELEVATION

DATE: 01/27/2012  
SCALE: 1/4" = 1'-0"

DWG. NO. A-402

PROPOSED SOUTH ELEVATION

SCALE: 1/4" = 1'-0"

Exterior Restoration Notes

South Elevation:

**Removals:** Remove entire addition to building including foundation. Remove existing building as required. Remove any exterior siding and trim that is damaged or deteriorated. Remove only the amount needed to effect a watertight and paintable repair. Remove substrate at badly deteriorated areas exposed at second floor framing.

**Restoration:** Repair/ restore wood framing, sheathing, siding and trim as listed in project specifications. Note - gaps and openings in siding and sheathing in the gable are detectable on this elevation from within the attic. Paint all wood to match historic colors provided by project conservator.
